We are so excited to once again invite you to support the **15th annual Lowe's Celebration of Life TBCC Classic and Auction Par-Tee**. With the help of many dedicated individuals TBCC has raised over \$1.8 million net to help fight breast cancer, a disease that is diagnosed every 3 minutes.

The Tennessee Breast Cancer Coalition is a non-profit grassroots statewide organization. TBCC was founded in 1995 by several breast cancer survivors who wanted to give Tennesseans a platform and voice from which to mount the fight against breast cancer. A goal of TBCC is to Celebrate Life! We want to be a source for those who are living through, and enduring treatment, giving patients the opportunity to fight this disease with all of the tools necessary to survive.

In 1999 TBCC began annually awarding grants for innovative breast cancer projects targeted to the underserved in counties throughout Tennessee. To date we have awarded \$850,000 to a wide array of successful community breast health outreach programs. Please see the enclosed sheet which outlines the many valuable programs TBCC supports, many of which would not continue without our help.

In addition to community programs, in 2001 the TBCC established the Emergency Access Fund (EAF) that provides financial assistance to individuals who are undergoing breast cancer treatment. The EAF pays necessities such as rent, mortgage payments, utilities and insurance premiums of individuals who have become financially burdened due to loss of income and the inability to work while in treatment. Since its inception this Emergency Access Fund has awarded over \$201,000 to Tennesseans in need.

The Par-Tee Dinner and Auction is Thursday, August 4^h and the golf tournament is August 5th. On behalf of the TBCC, we are requesting your donation of products and/or services for our auction. All proceeds raised go directly to TBCC. ***Be a part of the largest and most successful one-day charity golf event in the state.***

Thank you in advance for considering our request. We will be more than happy to assist you and your organization in any way we can to aid in your participation. We accept donations year round and will pick items up any time. We look forward to welcoming you to a great fundraising event and working together to help TBCC continue the fight against breast cancer. **Together, we really are making a difference!**

The Tennessee Breast Cancer Coalition is a 501(c) 3 organization. All donations are 100% deductible as allowable by law. Employer Identification # 62-1637548.

Sincerely,
